THE BAD SIDE OF A GOOD THING

One of the most annoying situations we encounter is that of going to the cinema only to discover that the film that was announced has not arrived on time, and another is to be shown in its stead.

We are all aware of the fact that the theater management is not at fault and are, most likely the first to become disgruntled. We also know that in the programs published by them in this publication, as well as in the Amuay Refinery's daily news sheet, "Aquí Amuay", it is clearly stated that "Management asks your forbearance if for unforeseen circumstances it may be necessary to substitute any of the films listed". But this note does not justify the inconvenience suffered almost every week by the spectators due to "unforeseen circumstances".

Of course, the case we pose, is not a matter of life and death. Quite often the substitute film is even better than the one that never found its way to Judibana.

Perhaps, in defense of theater management, we may say that they are doing everything possible to avoid further invitations to chagrin. However, it is outstandingly evident that something must be done; we don't know what, nor can we offer any suggestions. This is a problem for them to solve.

Nevertheless, we do know that this bad habit seriously injures the interest of the movie-goer and, furthermore, we strongly believe this to be the only place in the world where such a nuisance can occur so repeatedly.

THREE-TWELVE

Since October of last year, the Amuay Refinery has placed at the service of the community a new information system: Three-Twelve. By merely dialing this number -312- the most outstanding national and international news of the day can be heard.

It all started when Refinery Management decided to keep its workers continuously informed of the progress being made on Collective Contract negotiations. Hence dialing 312, everyone was kept up to date on the previous day's discussions.

The system turned out to be so satisfactory that it was then decided to amplify it to include other news of interest concerning the Refinery, the community, Venezuela, and the entire universe.

It seems that Three-Twelve has become very popular, as proven by the thousand or so calls registered daily. Three-Twelve was on night and day, relaying up to the minute news throughout the 24 hours preceding the signing of the Collective Contract and, as of today (Wednesday) it has received a total of 56,000 calls.

On the Three-Twelve staff are Juan Martínez Toro, Communications Supervisor of the Industrial Relations Group; Bill Byers, of the Telecommunications Section of the Mechanical Group, and Rafael Zabala, Bill's assistant.

Juan Martínez Toro records the news on tape. Bill Byers sits and watches him as he keeps the equipment going. The chimes between each announcement are produced by Rafael Zabala.

The system is connected to ten different outlets so that inasmuch as possible the caller does not receive a busy signal. It has become so effective that the La Salina District has begun to adopt it.

PHOOEY ON YOU
Wee Beastie

(Or - How Hi the Fly)

You flit about the refuse
With your dirty little feet ...
You eat your fill of "throw-aways"
Vegetables and meat;
You fight me for my muffin ...
Attack the sugar bowl
And once I thought you were (how sad?)
A raisin on a roll ...
You jump into the flour
To cover up and hide -

"No thanks - no chocolate cake for me ...
I don't know what's inside!"

The only good solution
That I can really see
Is offer them free housing
On Bloque 23 !!!

AMUAY REFINERY AND VICINITY

THE LIBRARY COMMITTEE of the "Cecilio Acosta" High School of Punto Fijo received recently from the Creole Foundation a donation of text - books valued at \$ 2000. This donation was made upon request of the Committee and includes reference and consultation volumes to be used by the faculty and students.

A brilliant homage was paid by the Judibana Club and Creole Petroleum Corporation to the Children's Baseball Team of the State of Falcón who in recent contests have achieved national championship.

The ceremony began with a parade, after which the team's representative received a trophy from the hands of Mr. Vicente Cupello - in token of Creole's recognition of their prowess. Then Hugh Wynne, pitched the first ball in a friendly game that took place between the little champions and a team from the Instituto Educativo Judibana in which, of course, the young national heroes scored another victory.

Two thousand four hundred bolivars were received by Monsignor Francisco José Iturriza Guillén, Bishop of Coro, on the day of the twentieth anniversary of his episcopal consagración, to enable him to grant a one-year scholarship to a student of Theology.

REMINDER: Venezuelan Income Tax Declarations are to be presented to the Judibana Post Office or the Income Tax Office in Punto Fijo by the 2nd of March of 1960.

As mentioned last week, the Anti-Polio Campaign officially initiated with a motor car promenade through Punto Fijo, Cajas de Agua, Las Piedras, Judibana and Cardón.

Last Saturday, Dr. Félix Vargas Graterol, Secretary of the State of Falcón, in absence of Dr. Pedro Luis Bracho Navarrete, who was attending the Third Convention of Governors in Caracas, laid the cornerstone of the monument to be erected in honor of the Venezuelan Federation, which is a movement headed by Juan Crisóstomo Falcón and General Ezequiel Zamora one 20th of February 101 years ago, by which Venezuela changed its status from a central republic to a federal republic. The project is being developed by the "Sociedad Amigos de Coro" and it is planned to be carried out with funds obtained through a public collection.

PIANO AND VOCAL CONCERT

The Ladies' Circle of the United Church warmly invites members of the Judibana and Shell communities to attend the free concert of vocal and piano music to be given in the Simón Bolívar School on March 11th at 8 p.m. The guest artists from Caracas, Mrs. Kay Green, concert pianist, and Mrs. Thelma Buckley, mezzo soprano, will be presented in a program together for the first time.

Mrs. Green is a graduate of Oberlin Conservatory of Music in Ohio and has her Master's degree and Performer's certificate in piano from the Eastman School of Music, Rochester, New York. She is the wife of the Rev. Paul Green, also an Oberlin graduate, and pastor of the American Church in Caracas. Mrs. Green was presented last year in Anaco in a concert of Chopin compositions. In the concert here she will play a varied program of compositions and accompany Mrs. Buckley as well. Mrs. Buckley is a former resident of Amuay and used to direct a choir here. She has had extensive musical training and is at present the music teacher for the Colegio Americano in Caracas.

Circle members have sold patron's tickets the past week from which the proceeds will be used to pay the incidental expenses of the guest artists, but one need not buy a ticket to attend the concert. No tickets will be sold at the door the night of the concert, and no ticket will be required for admission.

Members of the central committee in charge of arrangements for the concert are Roma McGee, Pauline Wannop, Barbara Outterson, Sue Hayes, Dorothy Sharpe and Ellen Overstreet. Pauline Wannop and Sue Hayes are in charge of patrons' tickets; Roma McGee, flowers and corsages; Hazel Dedmon, publicity.

A coffee for Mrs. Green and Mrs. Buckley will be given on Saturday morning, March 12, in the home of Helen MacMillan. All members of the community are invited to call and meet the two guests.

AMUAY REFINERY AND VICINITY (Continuation)

That same evening the "Ateneo de Coro" celebrated the occasion featuring the University of Carabobo Theater Group in one of the works of Anton Chekov, and the ACAT (Carabobo Association of Theatrical Art) presented two very well known plays of Lope de Rueda.

At the opening session of the Third Convention of Governors, the President of Venezuela, Don Rómulo Betancourt, announced that it will not be long before Venezuela produces the cheapest electricity in the world.

WHAT WE SAW AND HEARD

THE UNEXPECTED but pleasant surprise of the week was the arrival of Jane and Tommy Burke, formerly of the Judibana clan and now pining away in the East for any memento of Judibana - even the Pelican. They spent parts of their long weekend with the Nystroms, the Martens, & ended with the Pittmans, BUT when the latter started to sell the furniture right from under them, they decided it was time to return home until the Judibana sales are over. Too risky!

On Monday the 22nd, the Burkes were the honored guests at an intimate Luncheon given by the Marvels.

GOOD HUNTERS: No one suffered any buck teeth, or rather buckshot fractured teeth from the marvelous Barbecued venison served by Hal Wendling in mammoth quantities last Saturday evening to a host of friends.

TOMORROW IS A DAY OF REST says LaVerne Young who has been suffering the enjoyment of despedidas throughout the past two weeks. It all started with a Dinner Party at which she and Lysle were honored by the Forrest Rays and Carl Robinsons. By fortuitous timing LaVerne arrived at the "Salty Dog" Lee Aubrey and Doris Keller farewelled her with on the following morning. Then Rusty Miller and Mary Nixon feted her with a Dessert Card Party before she and Lysle were the object of the attention of a group of friends at one of the Cambre's inimitable Dinner Parties. It didn't all happen in one day, of course, but LaVerne found herself leaving one delightful party to attend another different one but equally delightful.

Moe and Bill Powers entertained the Youngs with a Card Party where reigned the well-known Powers' effervescence.... and the Stud Austens and Bud Parkers sent them off with heady cocktails. Yet this did not baffle LaVerne Young who with her usual zest and bon vivance enjoyed the excellent Salty Dog with which Mabel Hewitt and Maggie Ross honored her.

No, that isn't all! Jean Cardwell left Laverne with very pleasant memories of a most enjoyable Luncheon and Card Party, and on Wednesday morning "Drinks" were served in her honor in the gay style of Natalie Fitzsimmons, and on Thursday am she received a grand "Despedida" from the Ladies' Auxiliary of the Amuay Golf Club. Now on that same evening, Esso Kelley, who had been slaving all day over a hot stove? no, magazine-invited the Youngs out for Dinner. On Friday evening they enjoyed Dinner at the Robinsons, and this evening they may be found Cocktail Party-ing at the Jim Donalds. So tomorrow is a day of rest, on Monday they will pack, and on Tuesday we will be sorry to see the departure of another of Judibana's most popular couples.

ROY NYSTROM is actually living again. He donned his shoe and surprised Hilda by giving her a few twirls around the dance floor.

FRIENDS OF Helen and Bob Johnson are still commending them on the lovely dinner party they enjoyed last Monday evening.

AT THE BAINS: Mrs. Henríquez, Nené's mother who is visiting from Maracaibo, was welcomed with a Coffee during the week, and Monday saw Andy businessing off to Caracas.

AT THE PETERSONS: Norbert slipped away on a tanker bound for Aruba to spend the weekend; and Mrs. Toppin, Jo's mother, who has been visiting the family is spending a few weeks in Maracaibo.

ANOTHER EVENT of last Saturday evening was the gala dinner served by Dorothy and Bill Ricks.

COOL AND TANTALIZING are the invitations for the Rum Party being given this evening by Myrt and Barb - Herb and Dessie.

BACK FROM HOLIDAYS are Trina Martínez and the Waldemar Holods.

PAULA KORSKO IS QUITE ALL RIGHT, although she fell off the slide at school and suffered a most unpleasant "bump" on her head.

THEIR FIRST SON, of whom Dora and Ernie Harp are extremely proud announced his arrival on the evening of Friday, February 19th (7:52) at the Sagrada Familia Hospital. Rodney Alan winked at Dr. Josefina Rodriguez and informed her that he was 21 1/4" tall, if she could help him on his feet, and weighed 6 and 3/4 pounds. Congratulations!

Another happy announcement is the birth of a bouncing baby boy weighing over 3 1/2 kilos who made his fortunate appearance at the Sagrada Familia destined for Captain Joaquín González Pérez, of the Marine District, and his enchanting wife, Antonia. Antonia has decided that it is definitely a man's world, for she has been most desirous of receiving a daughter.

TO CELEBRATE Lily Paz Gonzalez' birthday, Alberto and Josefina Paz Gonzalez honored her with a Dinner Party last Friday. It seems that quite a "Show" was put on by Emilia Walker, Vicky Quijada, and the "grupito de costumbre."

Alirio Duque-Sánchez, George McNaughton, and Jaime Barcón spent a marvellous weekend in Maracaibo.

WEEKEND CONFETTI

BY Nico Firio

OUR ENTRANCE: And so, dear readers, we are with you once again with the hope of keeping up this column of unmalicious gossip. (When has gossip not been malicious?).... A RATHER CRUEL STORY: One of our little girls addressed her teacher one morning: "Teacher", said she, "is it naughty of me to be pleased when I am told that I am a pretty girl?" "Of course", replied the teacher, "you must never encourage a falsehood". ... THE CINEMA: Of course, you all know Charlston Heston! Well, this actor has sent a blank contract to director William Wyler agreeing to film any old thing at any old time. Heston's gesture was in gratitude to Wyler for having been chosen to play in "Ben-Hur". To be sure, this film - the most expensive yet - will soon be shown in Judibana. Does anyone remember the old version with Ramón Novarro. Let it not be said that Hal Wendling was then a curly-haired cherub! ...

TWO BOARD MEMBERS: Carlos Alberto Lindorf (who thanks to Tanya Roberts is now known as Compañía Anónima Lido - such license!) and Antonio De Armas are the two Board members of the day. Carlos appears on the Anti-Polio Committee while Antonio appears on the Executive Board of the Punto Fijo Rotary Club, and both appear on the Club Adaro's "Directiva". As secretaries, of course, as secretaries ... FLATTERY: Thus spoke Apuleyo, and we don't remember who he was either: "A beautiful girl, though poor, has more than an ample dowry". (Sayeth Tanya, "Lord give us strength to continue".)

ARE AUTOMOBILES EXPENSIVE? The duty on luxury automobiles is sky high. According to the self-same Minister of such things, a 32 thousand bolívar Cadillac will now cost 64 thousand. Therefore, ladies and gentlemen, just in case, let us all be more careful of the family jalopy.

ILL-FATED DIANA: The recently departed cinema actress Diana Barrymore was obviously born under an unlucky star. She wasn't even able to put her famous patronymic to good advantage. Tennessee Williams, well known writer, who was allegedly Diana's "last love" offered her the principal role in "A Streetcar Named Desire" which was to have a new run in Chicago. But when Diana's maid brought her the news of the most brilliant opportunity of her life, it was too late. Diana had passed away! ... WE'LL TAKE ANY OLD THING:

Not chairs, but presidential seats are now being occupied by Alirio Duque Sánchez and Enrique Rodríguez the former at the Punto Fijo Rotary Club, and the latter at the Club Adaro. If you are looking for a little stool to sit on, not to be left behind, see Vicente Valle..... ANOTHER OF MY CRUEL STORIES: (This one's really mean!) I asked a gorgeous young thing: "Is the name of Ramón Vielma music to your ears?" "No, she replied, "I have a good stereo".

DELICATESSEN

As a welcome supplement to our meals, the German-style sausages from Baruta have met with very enthusiastic acceptance from the gourmets in the area during this month. And so have the few sample loaves of rye-bread!! Weekly deliveries by air will keep the Supermercados "La Pastora" at our gate and that of Shell, as well as the Shell Commissary, constantly supplied with an always fresh stock of the 15 or more most popular items. This will allow you to buy them as you need them eliminating the necessity of freezing larger quantities which would kill the sausages' delicious flavor. Normal refrigeration is sufficient. Frozen meat-cuts are worthless, as they spoil easily after thawing, and you should not accept them frozen from any dealer.

Those of you who are interested in placing special orders for your parties or for items of the Brill and Völk brand not carried in the mentioned retail outlets, may order them through the Holods or the Weiss' for immediately delivery (1 week). During the second half of March, or earlier, another special delivery of German-style "Sourdough", rye-bread, cured pork ribs (Kassler Rippen), rolled smoked ham, and Tocinetta-type home made bacon is planned. To determine the quantity required more accurately and to minimize transportation costs please place your individual order with Karla Weiss, Tel. 748, or Helena Holod, Tel. 795 during this coming week.

WOMAN'S CLUB

Once again on a midnight dreary, I'm sitting here weak and weary wondering what to write for the Woman's Club once more. I'm nodding, and I'd rather be napping, when suddenly I feel a tapping as of someone gently rapping on my cranium like before. -- Why, that's my Muse! The daring fellow, and clearly I can hear him bellow, "What do you think you're doing, writing poetry? -- Stop this nonsense -- get thee back into a prose style -- stop this being such a bore. Write no poetry! NEVERMORE." (Forgive me, Edgar Alan Poe.)

The MUSE is gone (to call on Garfield, I suppose), and here's the CALENDAR in prosaic prose.

MONDAY may be gray or blue, but the Advanced Bridge class will meet again at 1:15 p.m. in the home of the teacher, Wendy Hatcher. (The players say they won't meet at 1:15 a.m. -- that midnight oil is for the birds).

TUESDAY may be tiring when Win Bishop and the tennis players get out on the courts at 8 a.m. The wind being what is these days, no one knows which gets batted more, the breeze or the tennis balls.

SAME DAY, another time, another place, Mary Place has finished teaching the course in Gardening. Members report that the three - weeks course was most rewarding.

Not next Tuesday, but March 8th, the Book Group will meet again. (Don't you think we have called them bookworms long enough?) Incidentally, did you know that some tribes of bushmen (I have forgotten where) believe that people are not adult until they have had three children? In some cases when a couple is unable to have children, or have less than three, a special dispensation is required to declare them adults when they reach a certain age. (I learned this from a book - worm.)

WEDNESDAY is still wonderful - Ann McGrath shows her class of Beginners that bridge is really a whale of a game even at 8 o'clock in the morning.

No Flower Arranging yet. The flowers must wait until Jaunita Hart returns.

Latin Dancing students will get a couple dose of rhythm next week, for Paul Harthorn will be here on both Wednesday and Thursday nights in the Adaro Club at 8 o'clock. He was supposed to send us some word about what he is going to teach, but the word has not arrived. All we know is that dancing classes are to be taught two nights, Wednesday and Thursday each week that Mr. Harthorn comes from Caracas. So, until then, Cha Cha Cha.

(Continued in the following column)

THURSDAY - Thoughtful Helen Marvel, with charts and diagrams, shows her Intermediate Bridge students how improvement comes to those who work for it. 1:30 p.m.

FRIDAY next week will be safe for everyone, animal, vegetable and mineral. The Gourmet Cooks are taking the day off, but they will be back in business the week after. Just thought we ought to warn you.

PUNTO FIJO - MARACAIBO

PABLO SALAS who has returned from Caracas to reside in Judibana has recently installed a bus service from Punto Fijo to Palmarejo. The very comfortable buses will leave Punto Fijo each morning (including Sundays) at 7 o'clock and arrive at Palmarejo five hours later.

The fare is \$ 12 one way with a 10% discount for round trips. Buses may also be chartered for 40 passengers, and the round trip will cost \$ 700.

Según indicamos la semana pasada, un concierto tendrá lugar en Judibana. Con tal motivo, las damas pertenecientes al Círculo de la Iglesia Unida de Amuay invitan cariñosamente a todos los miembros de las comunidades Shell y Judibana al concierto vocal con acompañamiento de piano que tendrá lugar en la Escuela Simón Bolívar el 11 de marzo a las 8 p.m. Los artistas serán la Sra. Kay Green, acreditada concertista de piano y la mezzo-soprano, Sra. Thelma Buckley. Ambas actuarán conjuntamente por primera vez.

La Sra. Green es graduada del Conservatorio de Música Oberlin de Ohio y posee certificados acreditados de la Escuela de Música de Eastman en Rochester, Nueva York. La Sra. Green es esposa del Reverendo Paul Green, pastor de la Iglesia Americana en Caracas. La Sra. Green presentó un concierto de música en Anaco el año pasado con gran éxito. El tema musical escogido para este concierto en Amuay será sumamente variado y selecto.

La Sra. Buckley es una antigua residente de Amuay y tuvo gran éxito como directora del coro aquí. Su actividad como cantante es sumamente apreciada por críticos y actualmente es profesora vocal del Colegio Americano en Caracas.

Los miembros del Círculo han vendido boletos con el objeto de sufragar los gastos del traslado desde Caracas de las mencionadas artistas.

No obstante, la entrada es libre para todo aquel que así lo desee.

Encargadas de la organización de este concierto son las señoras Roma McGee, Pauline Wannop, Barbara Outtersen, Sue Hayes, Dorothy Sharpe, y Helen Overstreet.

Un "Café" será ofrecido en honor de las señoras Green y Buckley el sábado por la mañana, 12 de marzo en casa de Helen MacMillan. Todos los miembros de la comunidad están invitados con tal motivo y tendrán oportunidad de conocer a las invitadas de honor.

LO QUE HEMOS VISTO Y OIDO

VISITA INESPERADA pero agradable ha sido la de Jane y Tommy Burke, antiguos residentes de Judibana que se encuentran actualmente con la Creole en el Oriente. Pasaron su final de semana con los Nystrom, Marten, y los Pittman, pero cuando estos últimos empezaron a vender sus muebles, no les quedó otro remedio a los Burke que iniciar su regreso para el Oriente.

...

Parece ser que todo el mundo se desbordó en atenciones con los Burke y así fueron los huéspedes de honor en la comida que tuvo lugar en casa de los Marvel.

...

LOS BUENOS GASTRONOMOS han tenido su buen día en el Barbecue ofrecido por Hal Wendling a un grupo de sus amistades.

...

LAVERNE YOUNG no ha tenido más remedio que tomar un día de descanso después de las numerosas fiestas de despedida que se han dado en su honor. Empezó con una Cena dada por los Forrest Ray y Carl Robinson. No habían pasado muchas horas cuando a la mañana siguiente Lee Aubrey y Doris Keller la invitaban a su casa. Rusty Miller y Mary Nixon fueron las siguientes en agasajarla. A continuación los Cambre celebraban una magnífica fiesta en honor de ellos. Como ustedes podrán comprender bien merecido tenían los Young un descanso y, en efecto, fue un gran acierto para ellos porque después de este corto respiro fueron los Power los que celebraron otra deliciosa fiesta con el mismo motivo. Los Stud Austen y Bud Parker no quisieron ser menos que nadie y allí los vimos con un magnífico "Cocktail". Mabel Hewitt y Maggie Ross pensaron muy acertadamente que después de tanta bebida no vendría mal un poco de alivio, y decimos alivio porque las bebidas que ellas ofrecieron fueron más pausadas.

...

Y así podríamos seguir contando otro sin número de invitaciones que recibieron los Young. Baste mencionar los agasajos ofrecidos por Jean Cardwell, la gran despedida de las Damas Auxiliares del Club de Golf, Esso Kelley, los Robinson, Donald, etc. En definitiva, esto prueba que los Young en su larga estancia en Amway han sabido granjearse la simpatía y el respeto de todos los residentes de Judibana. Feliz viaje y feliz éxito en los Estados Unidos.

...

LOS AMIGOS de Helen y Bob Johnson todavía comentan con sumo agrado la deliciosa cena que tuvo lugar en casa de los Johnson el lunes por la noche.

FELICITACIONES a Roy Nystrom, al verle bailando con Hilda nos hace suponer que su pié está perfectamente curado.

Feliz Carnaval le deseamos a Vicky Quijada en Trinidad. Estamos seguros que nos informará de las magníficas fiestas que allí se realicen.

...

SENTIMOS no poderles informar de la fiesta en casa de José Pérez pues en el momento en que estamos escribiendo esta noticia, se está celebrando la fiesta. Sólo podemos añadir que por el número de coches que hemos visto frente a su casa debe ser muy animada. Felices vacaciones, Sr. Pérez.

ENTRANDO: Y bien, lectores, aquí estamos de nuevo dispuestos a mantener esta sección de bien intencionado chismorreco. (¿Cuándo ha sido el chisme bien intencionado?) Cada quincena y siempre que tengamos "tiempo y ganas", como decía el tragando Unamuno, descargaremos pelicanéricamente.. UN CUENTO, UN POQUITO CRUEL: Una de nuestras niñas le dice una mañana a una de nuestras maés - tras: - Señorita, ¿es malo ponerme contenta cuando me dicen que soy bonita? - Sí, niña - dice la maestra con aburrimento - ¡ Nunca debe fomentarse la mentira ! ... DE CINE: ¿Saben ustedes quién es Charlton Heston? ¡Claro, no faltaría más! Pues bien, este actor le envió un "contrato en blanco" al director William Wyler, comprometiéndose a filmar cualquier culebra, en cualquier momento y en cualquier lugar que el mencionado director deseara. El gesto de Heston es un agradecimiento por lo que Wyler hizo en su favor al elegirlo para "Ben Hur". Por cierto que esta película - la más cara de todas - la vemos pronto en Judibana. ¿Algunos de ustedes recuerdan la vieja versión de Ramón Novarro? ¡Que no vaya a decir Baudilio que no había nacido todavía! ... DOS DIRECTIVOS: Carlos Alberto Lindorf (que gracias a Tanya Roberts lo llaman ahora Compañía Anónima Lido) y Antonio De Armas, son los dos "directivos" del momento. Carlos aparece en la directiva del Comité Contra la Parálisis Infantil, Antonio aparece en la directiva del Rotary Club de Punto Fijo, y los dos aparecen en la Directiva del Club Adaro. En secretaría, claro, en secretaría... UNA FLOR: Lo dijo Apuleyo, que yo tampoco recuerdo quién era: "La Muchacha hermosa, aunque sea pobre, ya tiene bastante dote" ... ¿CARROS CAROS?: El impuesto para la importación de automóviles de lujo se montó en una nube. Según lo anunció el propio Ministro de Fomento, un Cadillac que costaba 32 mil bolívares costará ahora 64 mil. Así que, señoras y señores, por si acaso vamos a tratar el automóvil de la familia con más cariño...

LA POBRE DIANA: La recién desaparecida estrella de cine Diana Barrymore no tuvo una "buena estrella" en su vida. Ni siquiera logró sacarle partido al fabuloso spellido. Tennessee Williams, el famoso autor teatral y de quien se dice fue el "último amor" de Diana, le ofreció la parte principal de la obra "Un Tranvía Llama Deseo" para una nueva temporada en Chicago. Era la más brillante oportunidad que se le presentaba a la desafortunada actriz. Pero cuando su sirvienta le llevaba aquella mañana la noticia a la cama, ya era demasiado tarde. ¡ La pobre Diana había muerto ! ... AGARRANDO AUNQUE SEA FALLO: No sillas, pero sí taburetes presidenciales están ocupando actualmente el Dr. Alirio Duque Sánchez y Enrique Rodríguez, en las Juntas Directivas del Rotary Club de Punto Fijo y del Club Adaro, respectivamente. Si quieren una pipa para estar más a tono con sus cargos, pídanse a Vicente Valle ... OTRO DE MIS CUENTOS CRUELES: (Este es cruelísimo) Le pregunto a una hermosa muchacha: -¿Señorita le suena a usted un tal Ramón Vielma? - Y la chica me contesta: -No, señor. ¡Yo me sueño sola!

Hoy sábado 27 de febrero, en el Hotel Miranda de Coro se celebrará la coronación de la Reina del Hotel. Habrá con este motivo un gran Baile de Carnaval con un conjunto caraqueño. Los precios para el fin de semana publicados en la penúltima edición del Pelicano en español y en la última en español estarán en vigor sin incluir, desde luego, las bebidas.

MAS DE LO QUE HEMOS VISTO Y OIDO

CON MOTIVO DE SU DIA NATALICIO el viernes pasado Alberto y Josefina Paz González agasajaron con una cena a Lili Paz González. Parece que hubo todo un "show" con la participación de Emilia Walker, Vicky Quijada, y el grupito de costumbre.

REGRESARON de un espléndido fin de semana en Maracaibo George McNaughton que parece tener fuertes vínculos en esa ciudad, y Jaime Barcón que aparentemente dejó algo allá después del Curso Intensivo de Inglés.

SE ENCUENTRA nuevamente en Judibana el Doctor Alirio Duque-Sánchez, Jefe del Grupo Legal de Amuay, después de haber pasado un ??? fin de semana en la capital del Estado Zulia. Bienvenido !

LA COMPAÑIA ANONIMA LIDO disfrutó de un delicioso fin de semana en Coro asistiendo a los actos conmemorativos de la fecha de la organización de la Federación Venezolana, (Página 2)
